**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

AT&T have terrible customer service, So I use a local ISP, that gives great customer service. We have to use copper lines to get our service, so it has to go through AT&T. So we already pay more just to use an independent ISP. Don't allow AT&T to raise the rates to local ISP's. The few big carriers cannot be allowed to cut out the rest of the competition. Contol monopolies!
